

Go on the Trinity 2023 Mexico Missions Trip to Tecate, Mexico!

Over spring break this coming year Trinity will have a team working at The Mission / RDSN School in Tecate, Mexico. This is a school and orphanage that provides missions opportunities near Tijuana, Mexico. Our church previously sent a team to The Mission in June of 2016, and it provided life-transforming experiences for all involved.

Needs and service opportunities: Work projects as needed by the school (bring work clothes and gloves), children's ministry opportunities, community outreach projects, etc.

Activities offered: Trips to the beach, Challenge Course for team building, community evangelism and ministry opportunities, etc.

Dates: We have scheduled this trip for over spring break, giving everyone an opportunity to travel. We will leave the day after Easter, and return the following Saturday. April will be a good time to travel to Mexico, as it won't be as hot as June or July.
